

MaestroWeb is an add-on subscription service to AuctionMaestro Pro that allows you work from any location with internet access, and provides a website to accept online RSVPs, table purchases, and cash donations. MaestroWeb also allows for online item donations and online auctions!

### **MaestroWeb® Basic Level – Online Event Management**

- Work on your event from any web browser -- at any time
- Have an unlimited number of authorized event staff working at the same time
- Turn an "expense" into a REVENUE SOURCE by selling Ad space on your site
- Reduce catalog costs by publishing an Online Catalog for your guests to view
- Easily download online data to AuctionMaestro Pro and fully leverage its complete auction management capabilities as needed
- Have a customized website named <youreventname>.Maestroweb.com generated to support your event -- at no extra charge! Your custom auction logo and website's colors can be made to match your organization's existing web site or event page
- Hyperlink each auction item to a donor's website; donors can justify their donations as advertising expenses

### **MaestroWeb® Plus Level – Online Credit Card Processing**

Bring the power and convenience of MaestroWeb to your patrons and attendees with MaestroWeb Plus secure real-time credit card processing service. MaestroWeb Plus includes all of the capabilities of MaestroWeb Basic. Now your supporters can:

- Register themselves for the event and purchase event tickets online
- Make cash donations directly via the website
- Purchase sponsorships and merchandise
- Online Credit Card Processing is Secure and in Real-Time through qCheck
- Cards accepted online can be used at the event – no more checkout-out lines!

### **MaestroWeb® Premier Level – Online Auctions**

MaestroWeb Premier is the only online bidding solution that directly downloads to Charity Event Management Software. MaestroWeb Premier includes all of the capabilities of MaestroWeb Plus and Basic.

- Simple User Interface and easy to use Administrative Tools
- Run as many Real-Time Online Auctions as you desire
- Each time you hold an online auction, if your online auction revenue exceeds \$10,000, you will be invoiced for the additional closeout fees at the conclusion of your online auction. The fee is based on the total online auction revenue.
